STUDENTS FEEDBACK

Hello sir

Yesterday I have completed my Gst Pro Batch i have enrolled for live but due to some circumstances I have to attend recorded. First 2days were ok but when you start refund from that day it feels very interesting and good as I have recently cleared grp2pf finals and exemption in gst as gat is my favorite subject I want sir you should also make some other certificate courses on income tax and some high level in gst.

Your way of teaching is amazing. As I am old course student and done article ship in vat, cst and income tax and basic gst registration. So i dont have any exposure in gat practical but seeing your lecture at least now have some knowledge of pratical aspect also.

Thank you sir for teaching so well.

Hello sir, I am Disha Modi just completed your recorded GST PRO certificate course, It was very informative and intriguing to learn, and I thoroughly enjoyed it. Sir I cleared my CA in July 2023 and wanted to do a job, can you please guide me, I have applied for campus but not get shortlisted in the first round. It took me 8 attempts to clear and I haven't done in between after completion of my article ship till now. But I did file all IT returns and a little bit of GST work for my family members So please guide me on how should I proceed further in my career and I am also interested in GST work.

I got a lot of knowledge from gst certification course. You explained all the concepts in a very good way and helped me a lot in practical approach. The concept of refund was a bit new but you explained it in a very easy way with practical approach. If there are any more such courses I will definitely join.

Thank you so much sir 🙏
